## SEBASTIAN PADUANO, Web Developer

Passionate web developer with 4 years of experience in the e-learning sector. Committed to utilizing my skills to further the mission of a company. Creative, honest and good team mate.

### Employment History

#### Fullstack Web Junior Developer at Smartick, Madrid

March 2018 — April 2021

[www.smartick.es](http://www.smartick.es) is a platform that helps kids from 4-14 years old to learn math and coding.

I co-lead the project from a technical to strategic point. Strong knowledge in JavaScript, CSS and Java 11. Also worked with:

Google Cloud Platform, Maven, SQL, Jenkins, Spring & Hibernate and Jira Software, . Product co-leader.

#### Freelance Programming Teacher @ Aprende Programacion, Madrid

January 2017 — March 2021

[Aprende Programacion](#) is a service I created to help university students to find online teachers. 20 students from different ages were taught by me and other teachers. Mostly Unity 3D, Java (OOP) and Javascript.

#### IOS & Unity Developer Intern at Xanela, Madrid

March 2017 — March 2018

At [Xanela](#) I was responsible for developing IOS and Unity video games. Worked with Unity (C#), Swift and Objective-C, Firebase.

### Education

#### Videogames Development, Escuela Universitaria de Diseño e Innovación, Madrid

September 2013 — June 2017

Strong knowledge of Unity (C#), Phaser, Android and IOS development. Also learned Photoshop, Illustrator and Adobe XD and design process such as Design Thinking and gamification tools.

#### Software Engineer, Instituto Tecnológico y de Estudios Superiores de Monterrey (ITESM), Monterrey

July 2016 — January 2017

Student exchange.

Intense courses of SQL and Database design, Web Development (Java), Javascript, IOS and Android and Object Oriented Programming with C#.
